HOW TO TURN OFF LIKES ON INSTAGRAM

InstaFollowers

SIGN IN

Sign in to your account and head to your profile.

SELECT SETTINGS

Navigate to the settings menu by clicking the three lines in the top right corner.

GO TO PRIVACY
Select the privacy option under Notifications.

SELECT POSTS

Under the Interactions section, select Posts.

TURN OFF LIKES

Toggle the option to turn off likes on Instagram. You will no longer see the like count on posts while browsing Instagram.
